For account security, we require a passcode be used for drivers to charge a ticket to your account. Please provide a passcode when submitting your application. By signing below, I testify that the above information is all correct and valid. I understand that A-1 Scales' statements are due upon receipt.

Signature: _____ Title: _____ Date: _____

Main Office: Ph: (713) 672-7270
Fax: (713) 672-8768
Scale House: Ph: (713) 675-9500
Fax: (713) 675-9501

To our customers,

We have implemented a **passcode** system to better protect our charge accounts. We will now require all charge account customers to provide us with a passcode that your drivers must have each time before they can charge to your account. By enforcing this policy we hope to eliminate the issue of ticket discrepancies due to unauthorized drivers charging their tickets. We suggest updating the code monthly to ensure only current employees are charging. We will require the driver to have the code or they would have to pay cash/credit card instead of charging.

Please send the **passcode** to customerservice@a-1scales.com and we will add it to your account. For a **passcode** update reminder also include an email address you would like your monthly reminder sent to. Please send all passcode updates to customerservice@a-1scales.com.

Thank you,

A-1 Public Scales Management
